cs4fn Code Breaking

So how good are you at code breaking? Here is a code crossword. No clues just the code to break. We've given you a few letters to start. The key is at the top. All letters of the alphabet appear in the key and grid…but which is which letter? Work out the code and it will reveal one of the greatest movie messages of all time….and to make it a bit more fun, you have to answer the following questions about the grid:

1) Which lump of clay ran away because it wanted to have fun
2) What is the caffeine-loaded programming language?
3) What animal has a crush on you?
4) What explosive song did Debbie Harry of Blondie sing?
